### 7.2.3 SignIn

**Objects:** Input fields (Email, Password), SignIn button, Create Account Button.

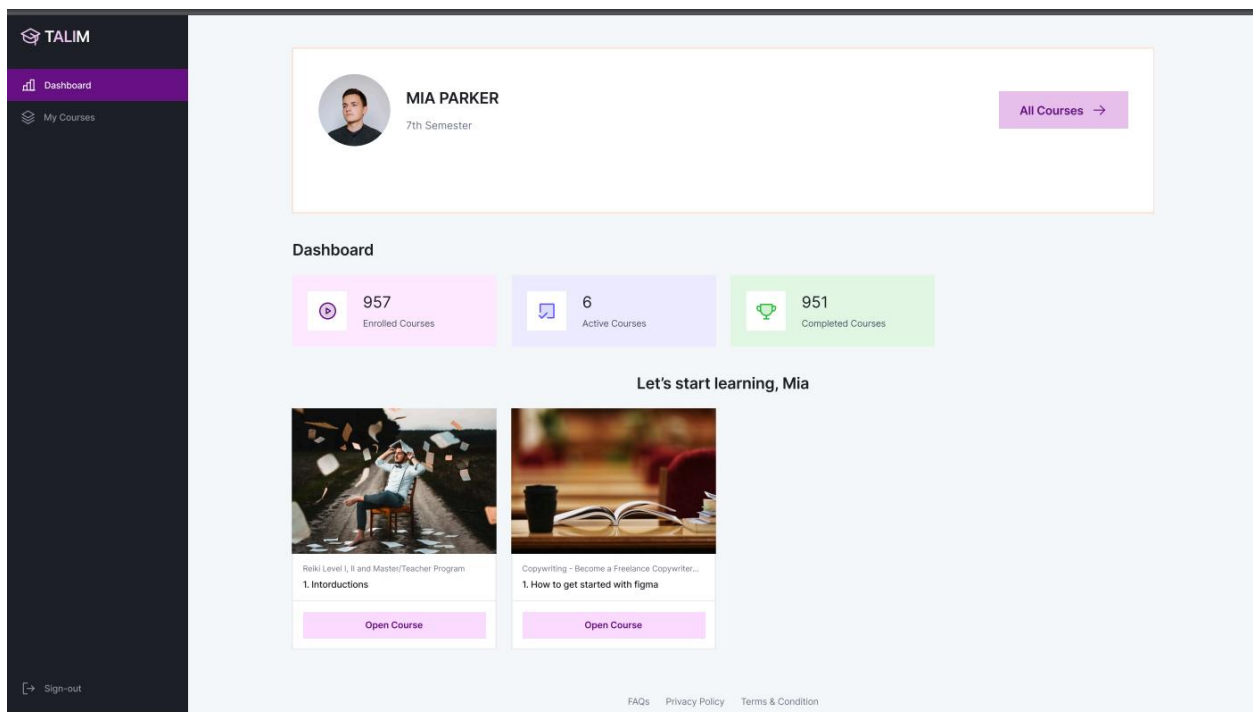

**Actions:** Enter credentials, sign in, or Create Account if not already signed up.

## 7.2.4 Student Dashboard

**Objects:** Course List, Dashboard Navigation Menu, All Courses Button, LogOut Button.

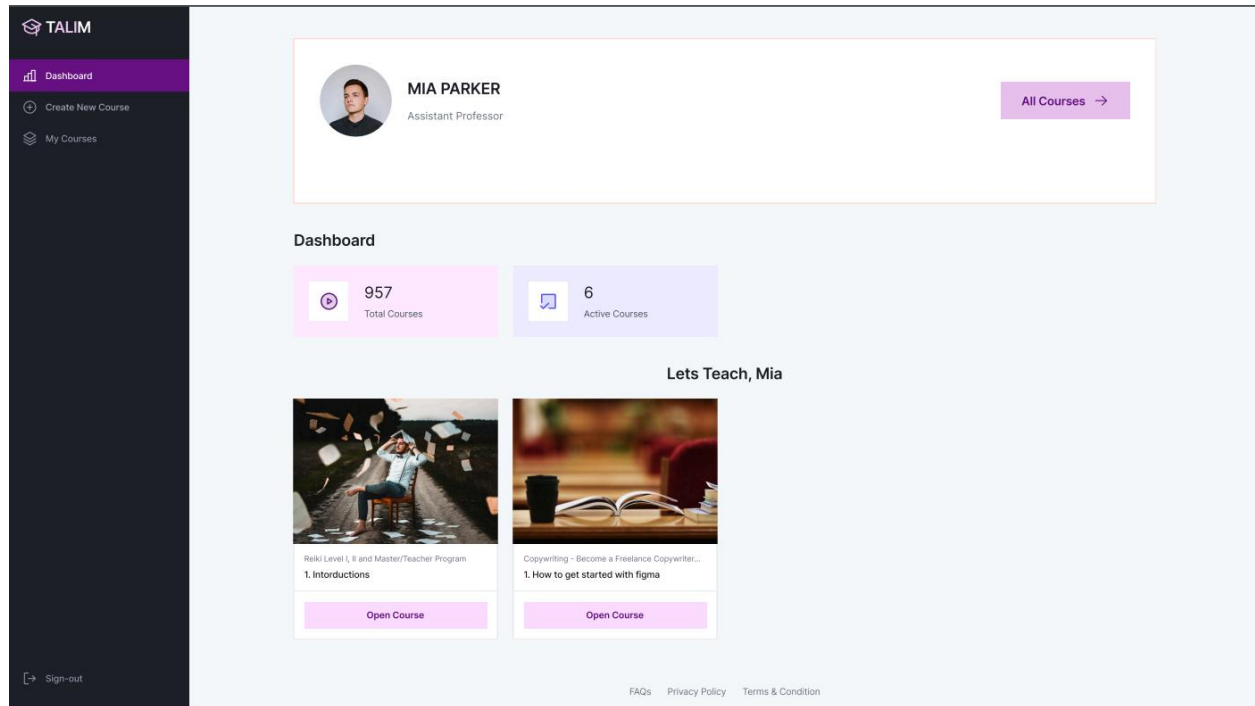

**Actions:** Navigate to different course details or view all courses or logout.

## 7.2.5 Teacher Dashboard

**Objects:** Course Management Options (View Courses, Create New Course), LogOut Button, Dashboard Navigation Menu.

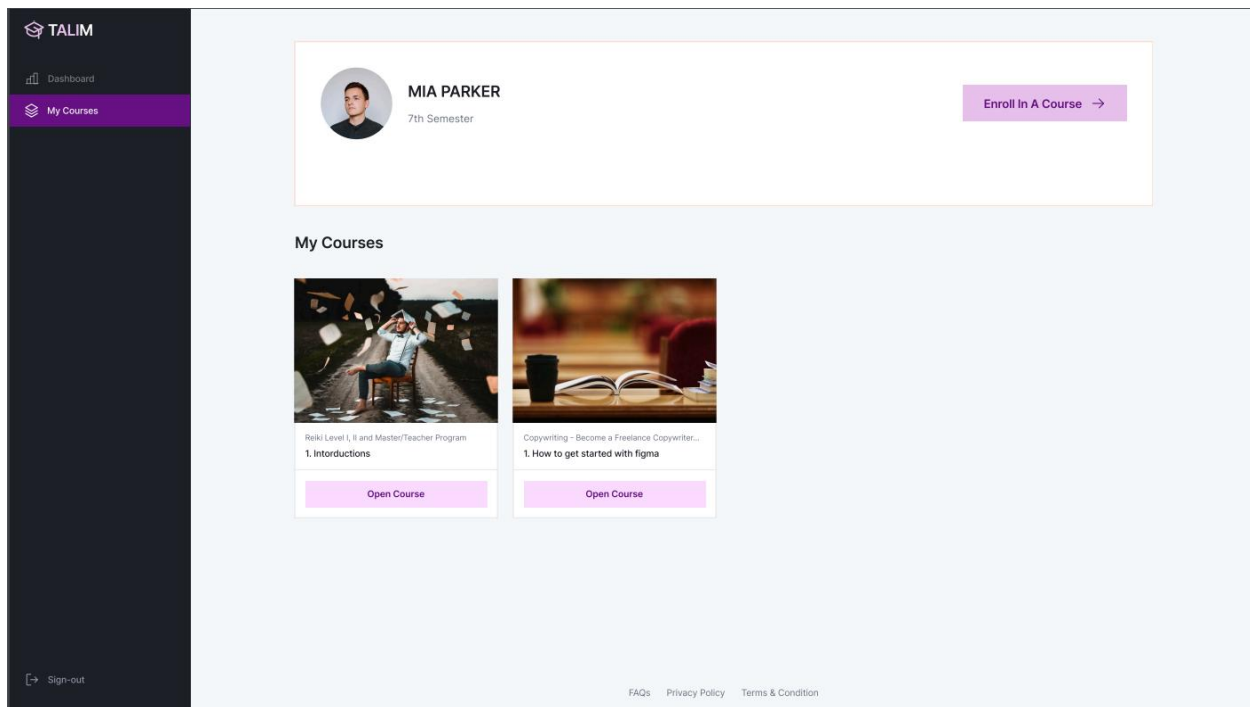

**Actions:** Manage courses, LogOut of Account, or navigate to relevant sections.

## 7.2.6 Student's Courses

**Objects:** List of Enrolled Courses.

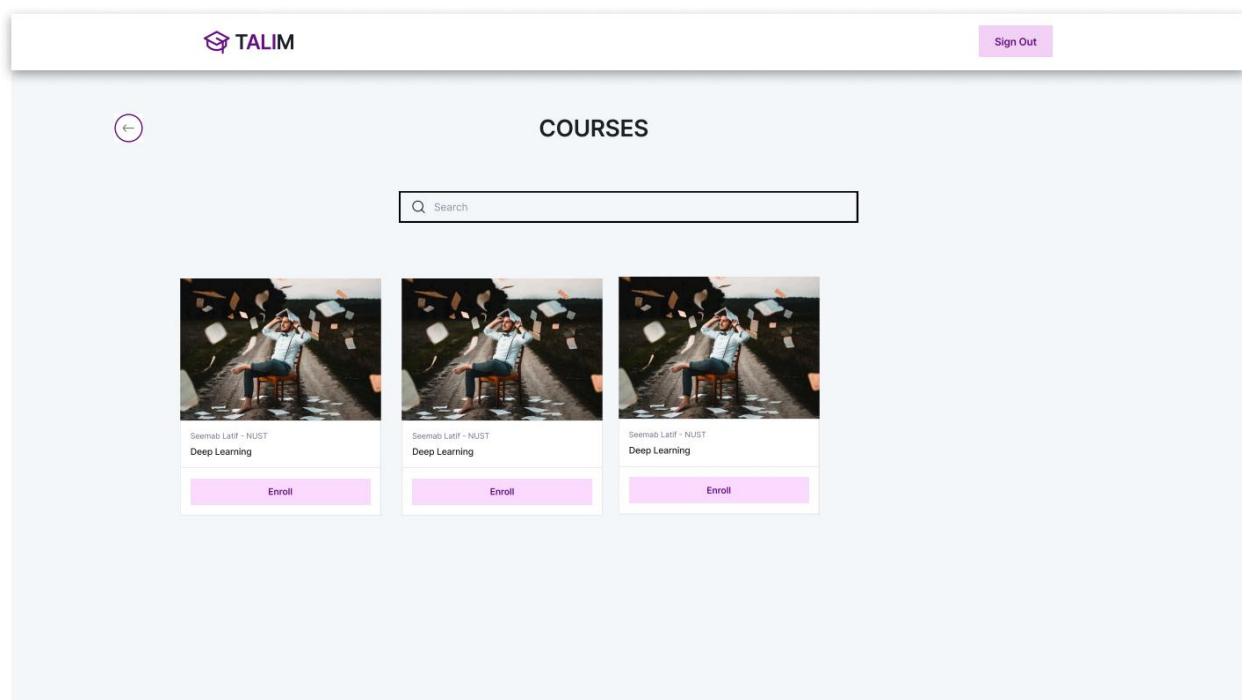

**Actions:** Select a course to view details or chat with AI.

## 7.2.7 Enroll Courses

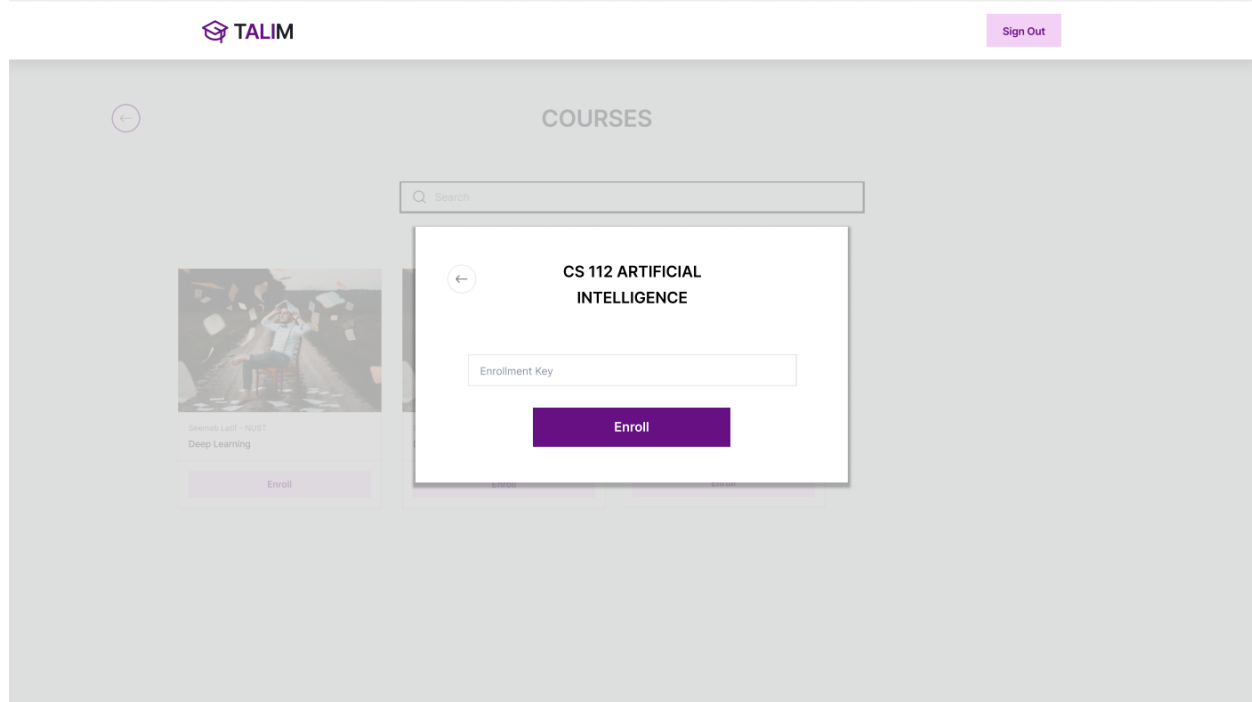

**Objects:** Course Search Bar, Enroll Button.

**Actions:** Search for courses, enroll by selecting the desired course.

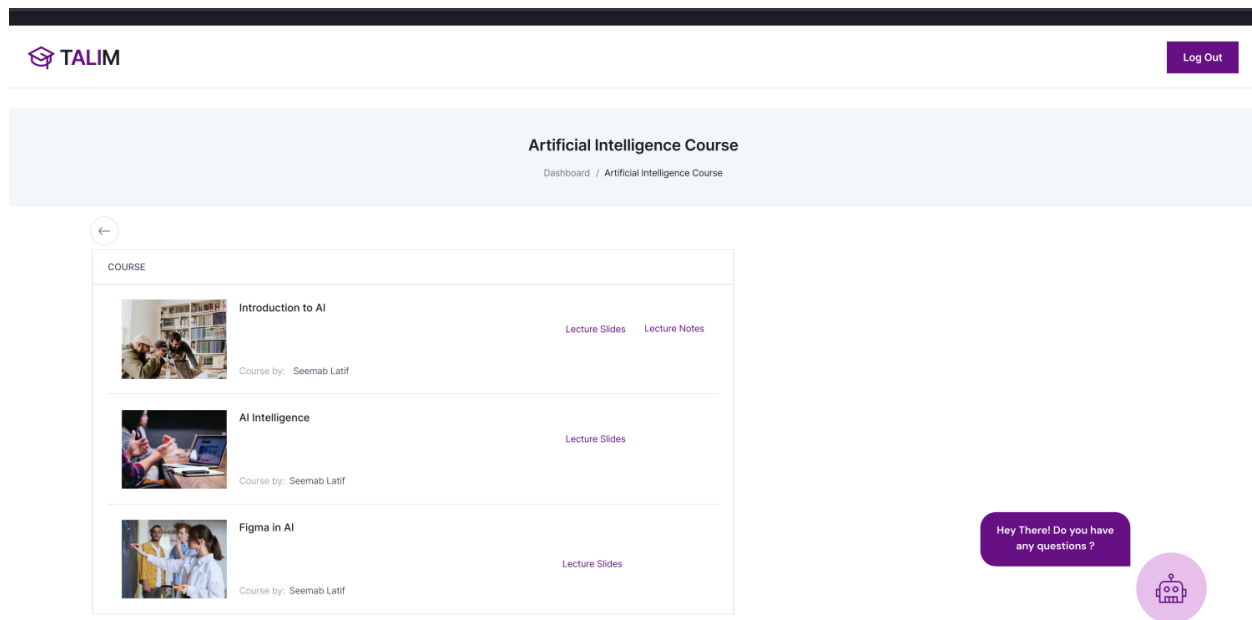

## 7.2.8 Enrollment Key Popup

**Objects:** Input Field for Enrollment Key, Submit Button.  
**Actions:** Enter the enrollment key to gain course access.

## 7.2.9 Course Window

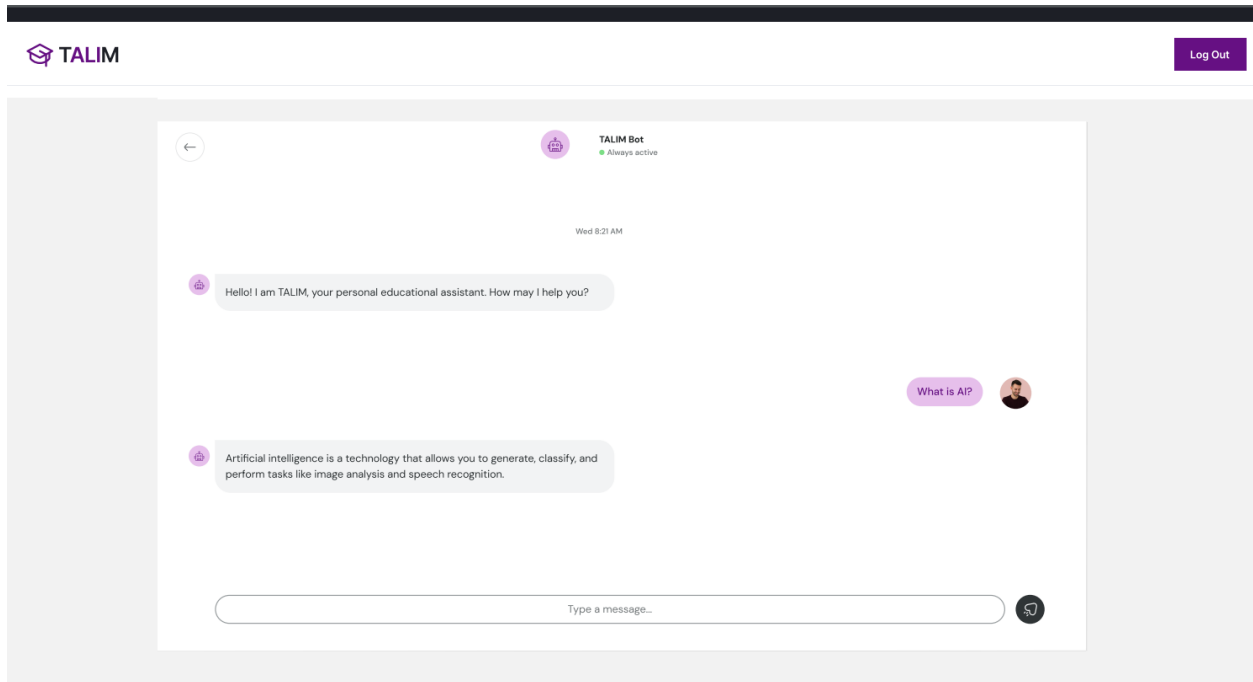

**Objects:** Course Content List, Lecture Notes, Lecture Slides, VTA.  
**Actions:** Access specific course materials or Chat with VTA.

### 7.2.10 Virtual Educational Assistant

**Objects:** Chat Interface, Input Field, Send Button.

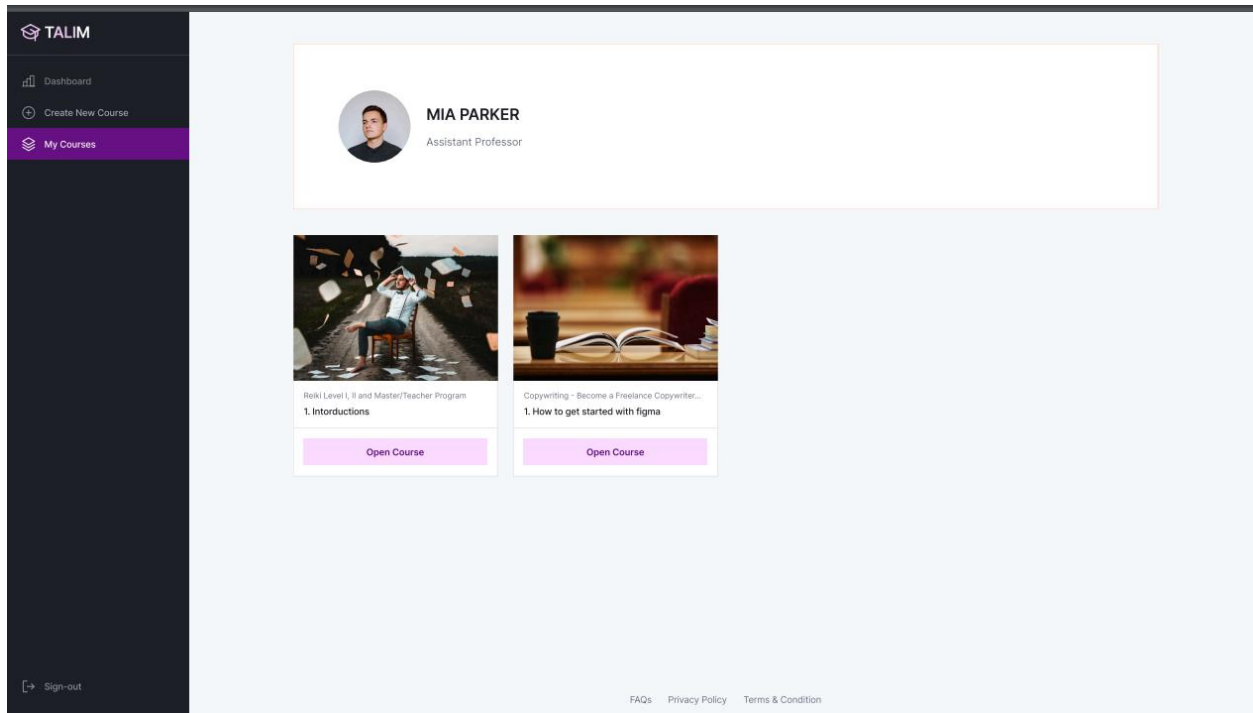

**Actions:** Ask questions, interact with the assistant for concept clarification or content access.

### 7.2.11 Teacher's Courses

**Objects:** List of Courses Created by the Teacher.

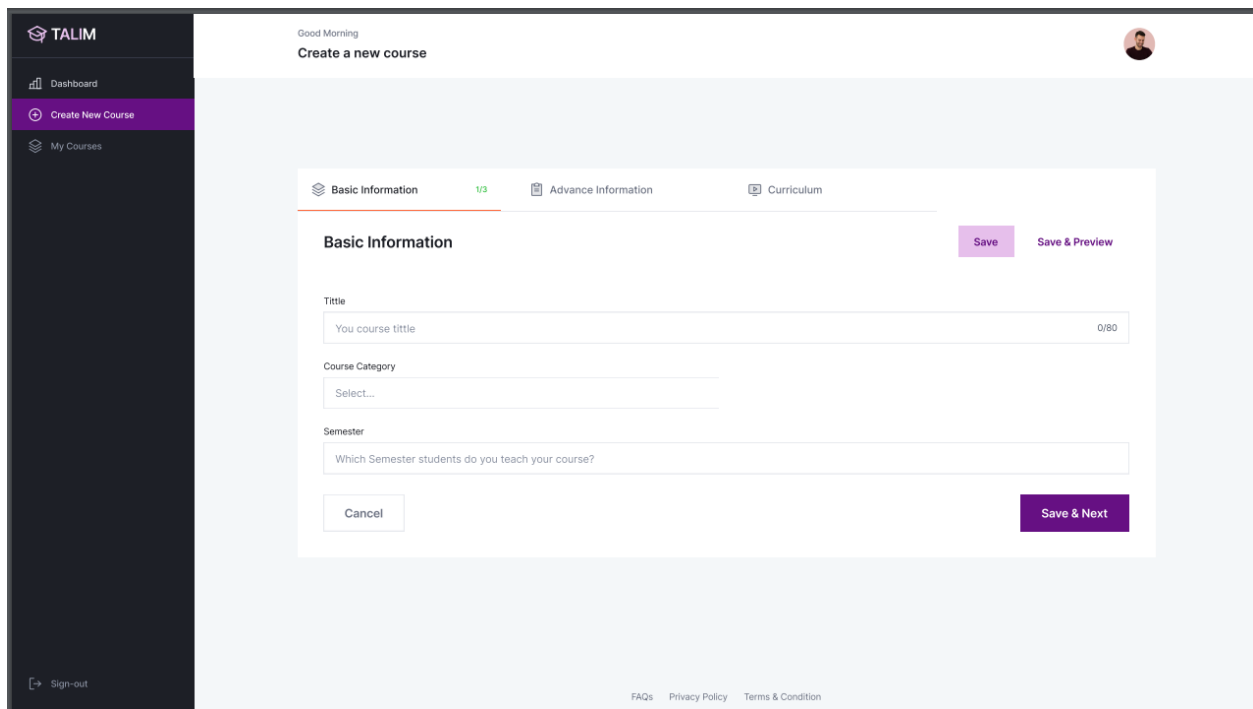

**Actions:** Select a course to add content or generate assessments.

## 7.2.12 Create New Course - Window 1

**Objects:** Course Title, Description Fields, Next Button.

**Actions:** Enter course details, proceed to the next step.

## 7.2.13 Create New Courses - Window 2

**Objects:** Course Poster and Description, Next Button.  
**Actions:** Enter course details, proceed to the next step.

The screenshot shows the 'Create a new course' interface in the TALIM system. The left sidebar contains navigation links: 'Dashboard', 'Create New Course' (highlighted), and 'My Courses'. The top header shows 'Good Morning' and 'Create a new course' with a user profile icon. The main content area is titled 'Advance Informations' and includes a progress bar with three steps: 'Basic Information' (completed), 'Advance Information' (current step, 1/2), and 'Curriculum'. The 'Advance Informations' section contains two main fields: 'Course Thumbnail' and 'Course Descriptions'. The 'Course Thumbnail' field has a placeholder image icon and a text box for uploading a course thumbnail, with a note: 'Upload your course Thumbnail here. Important guidelines: 1200x800 pixels or 12:8 Ratio. Supported format: .jpg, .jpeg, or .png'. Below this is an 'Upload Image' button. The 'Course Descriptions' field is a large text area with a placeholder 'Enter you course descriptions' and a rich text editor toolbar. At the bottom, there are 'Previous' and 'Save & Next' buttons. The footer includes links for 'FAQs', 'Privacy Policy', and 'Terms & Condition'.

#### 7.2.14 Create New Courses - Window 3

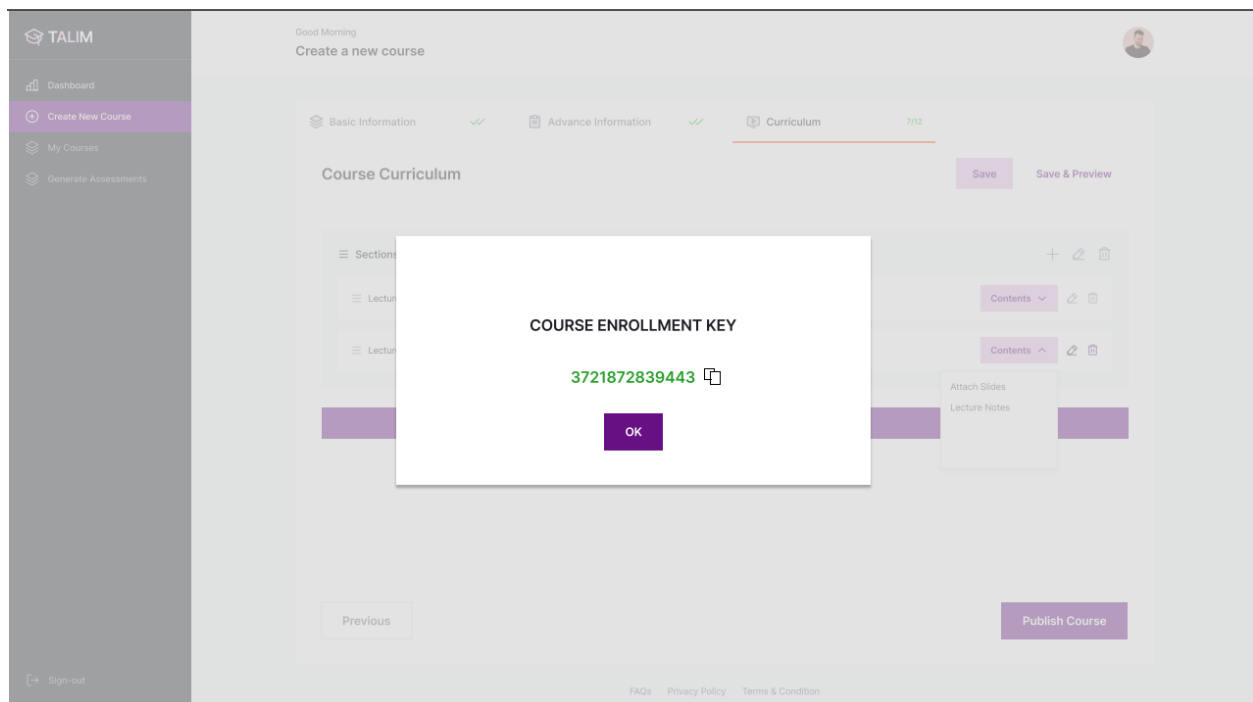

**Objects:** Upload Content Section (Lecture Notes, Presentations), Publish Button.  
**Actions:** Upload course material and publish.

### 7.2.15 Enrollment Key Generated Popup

**Objects:** Generated Enrollment Key, Copy Button.

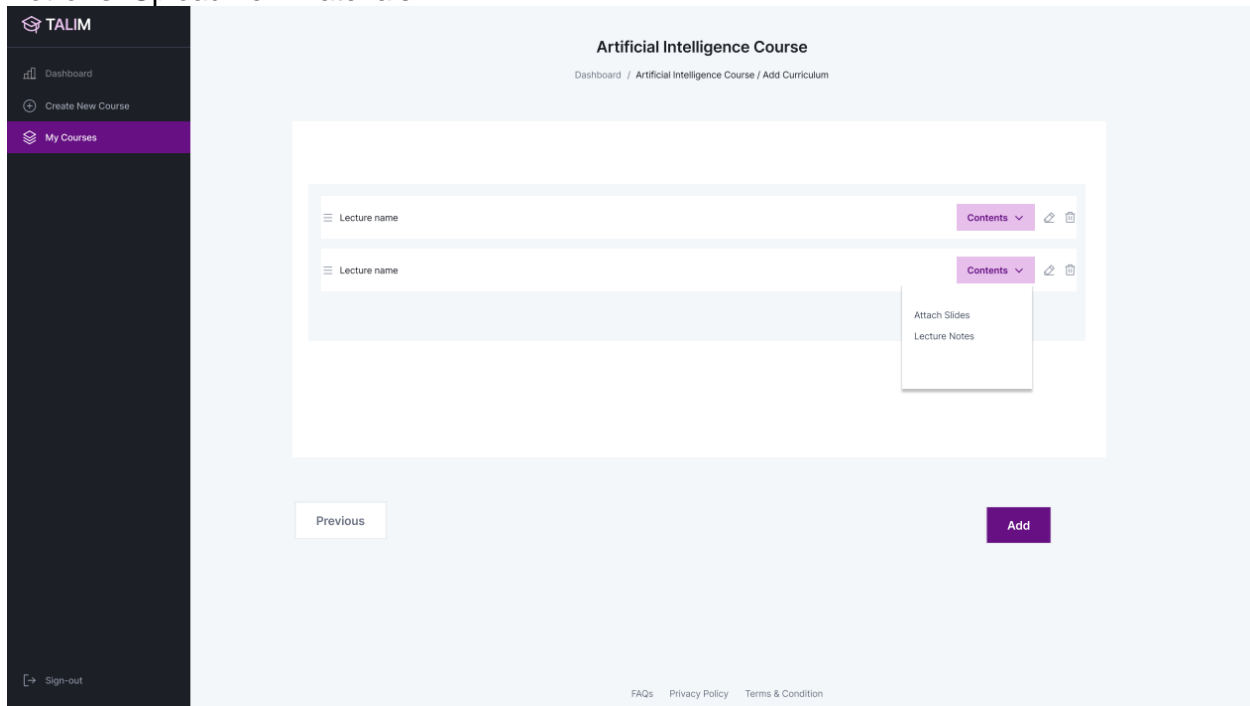

**Actions:** Copy the key for distribution to students.

### 7.2.16 Add Content to Existing Course

**Objects:** Upload Content Button, Content List.

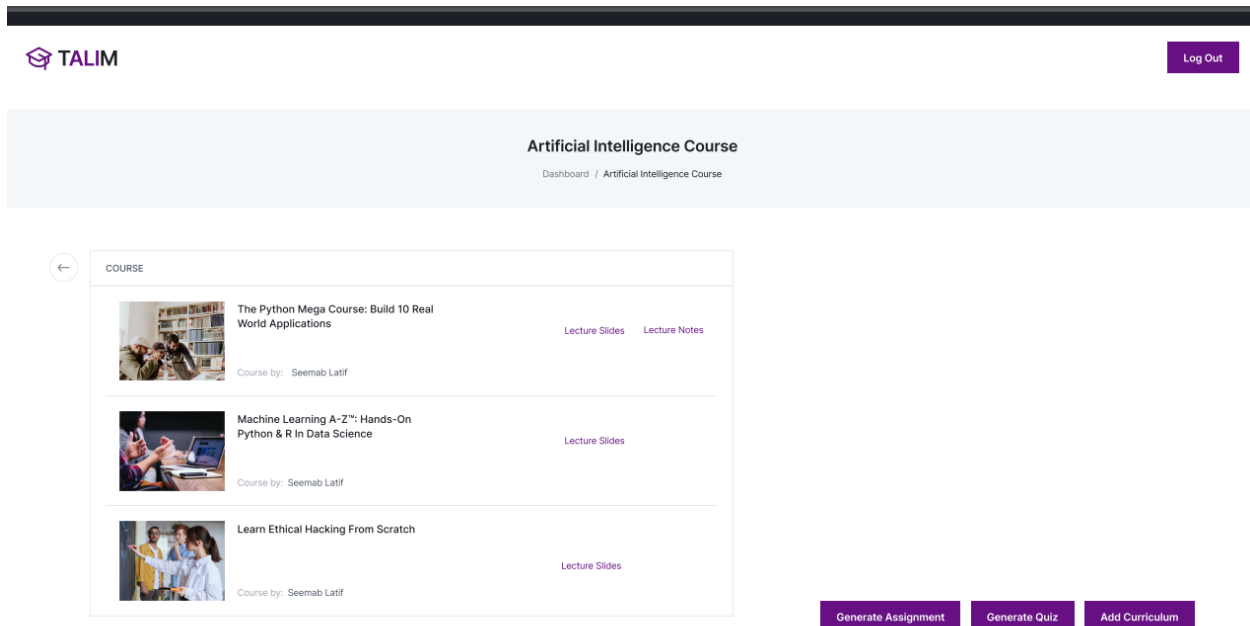

**Actions:** Upload new materials.

## 7.2.17 View Course

**Objects:** Course Overview, List of Uploaded Content, Buttons for Uploading Content and Generating Assessments.

**Actions:** View uploaded content and Add new content and generate assessments.

## 7.2.18 Generate Quiz

**Objects:** Quiz Customization Options (Question Type, Difficulty, etc.), Generate Button.  
**Actions:** Set quiz parameters and generate the quiz.

The screenshot shows the TALIM application interface. On the left is a dark sidebar with the TALIM logo and navigation links: Dashboard, Create New Course, My Courses (highlighted), and Sign-out. The main content area has a header with 'Good Morning' and 'Generate Quiz', and a user profile icon. The form contains several input fields and dropdown menus: 'Lecture Name' (text input), 'Lecture Title Here' (text input), 'Number of MCQs' (dropdown), 'Number of Theoretical Questions' (dropdown), 'Number of Numericals' (dropdown), 'Difficulty Level' (dropdown), 'Number of Versions' (dropdown), and 'Generate Rubric' (dropdown). At the bottom of the form are 'Cancel' and 'Save' buttons. The footer includes links for FAQs, Privacy Policy, and Terms & Condition.

## 7.2.19 Download Quiz Popup

**Objects:** Download Button.  
**Actions:** Download the generated quiz.

This screenshot shows the same TALIM 'Generate Quiz' form as the previous one, but with a modal popup displayed in the center. The popup has a white background and a dark border. It contains the text 'QUIZ GENERATED' in bold, a 'Download' button with a download icon, and an 'OK' button. The background form is dimmed, showing the same fields and buttons as before. The sidebar and header remain unchanged.

## 7.2.20 Generate Assignment

**Objects:** Assignment Customization Options (Topics, Type), Generate Button.

**Actions:** Set assignment parameters and generate it.

The screenshot shows the TALIM web application interface. On the left is a dark sidebar with the TALIM logo and navigation links: Dashboard, Create New Course, My Courses (highlighted), and a Sign-out link at the bottom. The main content area is titled 'Generate Assignment' and includes a 'Good Morning' greeting and a user profile picture. The form contains several input fields: a text box for 'Lecture Name' (placeholder: 'Lecture Title Here', character count: 0/80), two dropdown menus for 'Number of Numericals' and 'Number of Theoretical Questions', two more dropdown menus for 'Number of Versions' and 'Difficulty Level', and a dropdown menu for 'Generate Rubric'. At the bottom of the form are 'Cancel' and 'Save' buttons. The footer of the page contains links for FAQs, Privacy Policy, and Terms & Condition.

## 7.2.21 Download Assignment Popup

**Objects:** Download Button.

**Actions:** Download the generated assignment.
